**MEMORANDUM**

March 23, 2018

To: Environmental Health Staff  
Other Interested Parties

From: Lisa Laschalt, Director  
Environmental Health Division

Subject: Private Consultants Approved to Conduct On-Site Sewage  
Disposal Testing in Charles County

The following list indicates those private consultants who are approved by the Charles County Department of Health to conduct site evaluations and percolation tests for on-site sewage disposal system in Charles County, Maryland.

Applications for testing must be filed with Environmental Health Services and the appropriate Health Department fees paid prior to scheduling of tests. Private consultants' fees are not included in these Health Department fees; please contact consultants concerning their fees.
