

Welcome to the Partnerships for a Healthier Charles County

September 16, 2020 Virtual Meeting

Ways to help our meeting go smoothly

- *Please mute your phones or computers if you are not speaking to the group. This will limit the background noise.*
- *Put your questions into the chat box.*
- *Send all agency updates and announcements by email to Kim Johnson at kjohnson@maryland.gov. We will make sure that they are sent out to all PHCC members after the meeting along with the presentation slides.*
